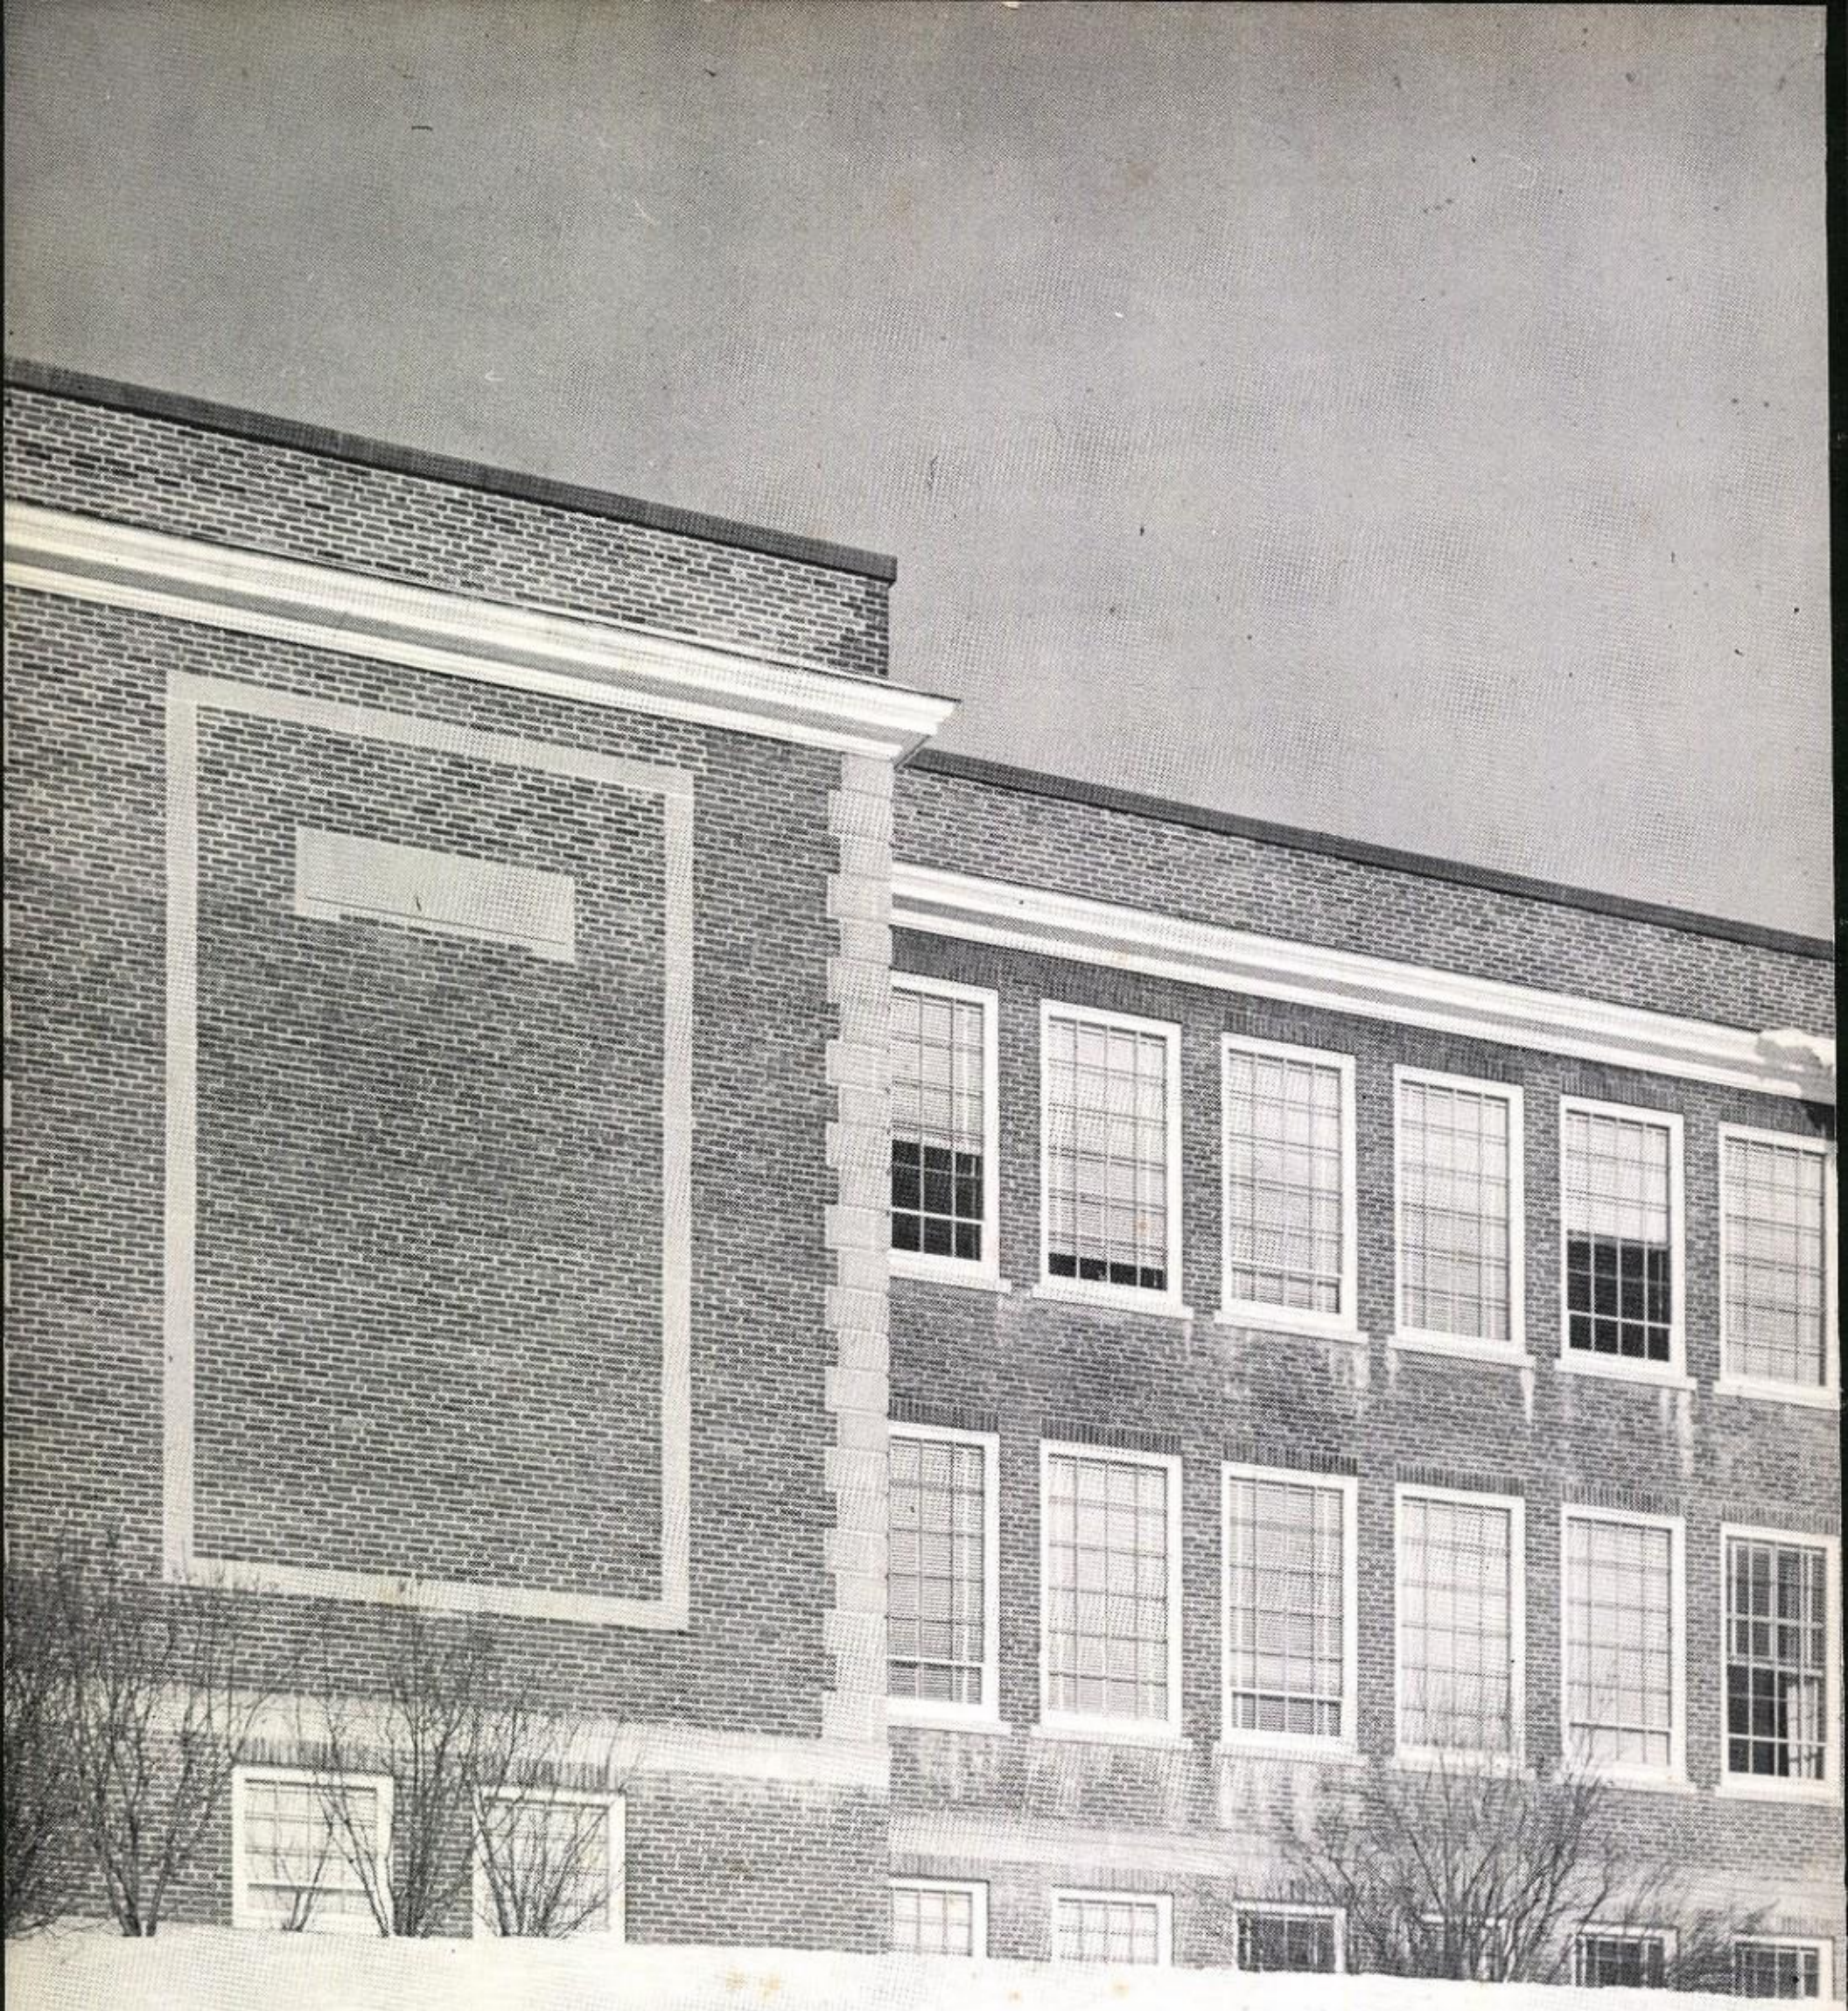
On Our Hill

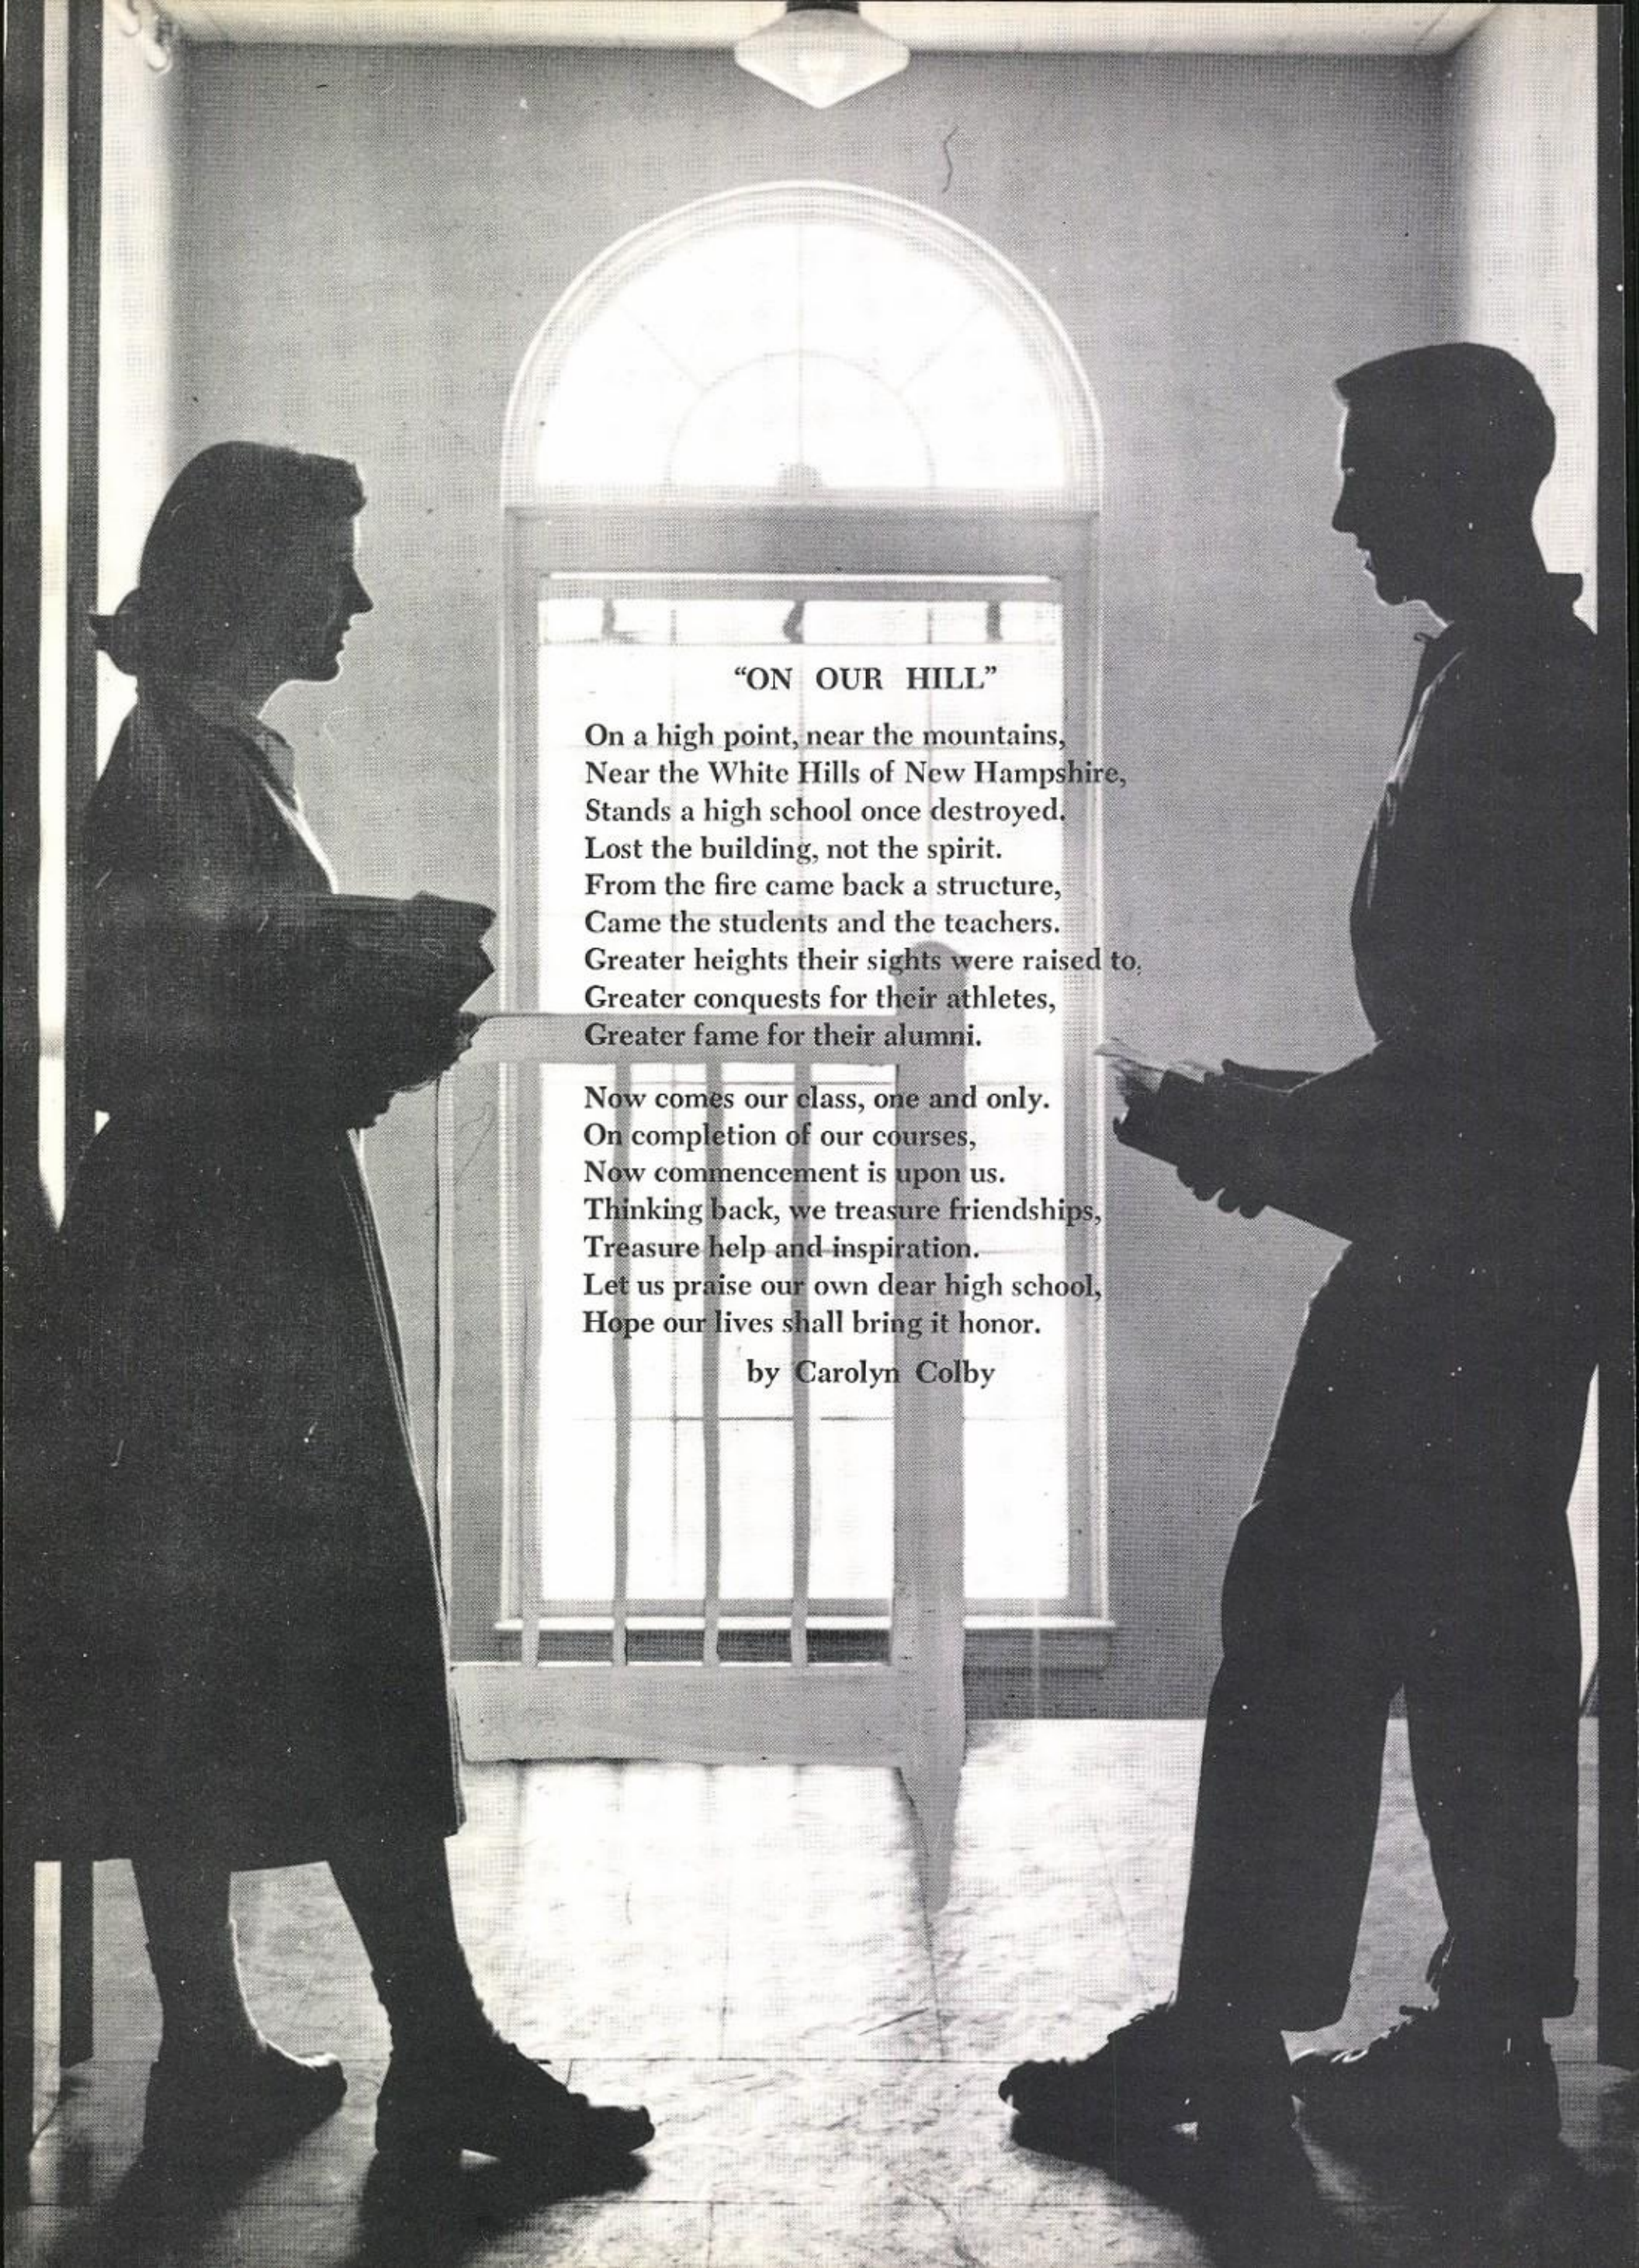
Published by
THE CLASS OF 1958
LITTLETON HIGH SCHOOL
LITTLETON, NEW HAMPSHIRE



Just as the Samuel Moore Station is a source of light and power for thousands of New England communities, so does "our school on the hill" provide the lights of learning, fellowship, and achievement to the students inside its protective walls.

The following pages depict a few of the people and activities through which we have endeavored to attain the high ideals of character, integrity, understanding, and responsibility which "our hill" represents.

From the summit of "our hill," we can continue to climb to higher peaks without fear and without hesitation.



"ON OUR HILL"

On a high point, near the mountains,
Near the White Hills of New Hampshire,
Stands a high school once destroyed.
Lost the building, not the spirit.
From the fire came back a structure,
Came the students and the teachers.
Greater heights their sights were raised to.
Greater conquests for their athletes,
Greater fame for their alumni.

Now comes our class, one and only.
On completion of our courses,
Now commencement is upon us.
Thinking back, we treasure friendships,
Treasure help and inspiration.
Let us praise our own dear high school,
Hope our lives shall bring it honor.

A Word of Thanks

We, the Class of 1958, wish to express our deep gratitude and sincere appreciation to you, our parents. Through these twelve years of our formal education, you have stood by us during our trials and tribulations. You have led us to the foot of the hill of knowledge and have always been present when our pathway became difficult. Listening to our problems, you have readily offered helpful assistance.

We believe that with your constant inspiration along the way, we have surely had the most memorable four years in the school "on our hill."

Class Ode

Memories . . . Memories . . . of the school upon the hill
You strive each day to pave the way
For our own field or skill
Memories . . . Memories . . . our hearts lift up to you
You taught us success
We all say God Bless
Our wonderful Littleton High

Memories . . . Memories . . . of the days at Littleton High
We live and learn and ne'er observe
How fast the time goes by
It seems it was only yesterday
That we stepped inside these walls
But, now, today, with deep regret
We leave these hallowed Halls

Childhood days, wildwood days
Among the college clan
We'll ne'er be alone
For you are our own
And we think of you constantly
In our beautiful Memories.

Words by Linda Spafford and Anna Mae Rioux

Class History

In the fall of 1954, as our class became Freshmen, we didn't enter the new school that we have today. Instead, we entered the old Kilburn building as a result of the destruction of our high school by fire the previous April. We seldom got a chance to see the Grand Old Seniors as they went to school in the morning session, and we attended the afternoon session. Nevertheless, the Seniors got their chance to meet us the night of Freshmen Initiation. They had us march through the Main Street and then gave us the "works" at the Town Hall. Although at the time we did considerable grumbling, as we look back now, we wouldn't have missed it for anything. At our first class meeting, we elected William Weber, President; Michael Hennessey, Vice-President; John Southard, Treasurer; Linda Spafford, Secretary; and Barbara Brazier, Student Council representative. Our class advisors were Mr. Kenneth MacPherson and Mr. Bernard Bouchard.

After the Seniors so generously gave us our first dollar, we went about making many more. Our first money making adventure was a dance in October with Peter Cole's Orchestra. The Freshmen all got out and worked eagerly to make this dance a success. Our treasury continued to grow as we had a food sale and took orders for school emblems. In February we had our St. Patrick's Dance. We decorated the Town Hall for the occasion, and everyone was pleased with the results.

As Sophomores we entered the new high school building and spent many after-school hours investigating every corner, corridor and inviting door until we felt we knew the building by heart. There was certainly a sharp contrast between the new school and the Kilburn building. The officers we elected for that year were President, Michael Hennessey; Vice-President, Linda Spafford; Treasurer, Eric Hampson; Secretary, Joel Duranty; and Student Council representatives, Lucy Hannah and Hollis Burgess. Our advisors were Mr. Lester Shiere and Mr. George Gray.

Our major money making project that year was the traditional Sadie Hawkins Dance. During the Easter season, we raffled off an Easter Ham.

Our Junior Class officers were President, Michael Hennessey; Vice-President, Marilyn Corey; Secretary, John Southard; Treasurer, Hollis Burgess; and Student Council representatives, Larry Moore and Robert Allard. Lee Gregory was elected Student Council Vice-President. With the help of our advisors, Mr. MacPherson and Mr. Roland Smith, we planned many activities to earn money. We sold score programs, candy, and soft drinks at basketball games, sponsored record hops, and sold book covers. When we were offered the chance to sell refreshments at the Easter Ball, we took advantage of this opportunity to increase our treasury.

For the social event of the year, our Junior Prom, we chose the theme "Oriental Gardens." Amid an oriental setting of cherry blossoms and Japanese lanterns, a memorable evening of dancing was enjoyed by all.

We felt very honored that the State selected two of our classmates, Michael Hennessey and Robert Allard, to attend the National Student Council Convention in New Mexico. On June 12, after the Class Night exercises, we gave a reception for the Seniors. To close the year, a picnic was enjoyed at Forest Lake.

In September of 1957, entering for the last time, the Wise Old Seniors chose the class officers, President, Michael Hennessey; Vice-President, Patricia Richardson; Secretary, Elizabeth Byron; Treasurer, John Southard; and Student Council representatives, Sally Roper and Robert Allard. Lee Gregory was elected Student Council President. Our advisors were Mr. William Morris and Mr. Anthony Sarausky.

For Freshmen Initiation, we endeavored to present a new idea. A variety show patterned after several popular television programs, in which all the Freshmen participated, was selected. This entertaining program was followed by the traditional Freshman Hop.

On November 20 and 21, we presented our Senior Play "Curtain Going Up," a situation comedy about the problems of a Senior class preparing for its annual play. We are greatly indebted to Mr. Morris and Miss Nancy Ledoux for their guidance in the production of our play.

As the time for our class trip drew near, we tried many means of raising money. We sold ice-cream during noon hours and at games, sold book covers, and held record hops. We sponsored movies since the town theatre was closed. Our Christmas Dance was a most enjoyable social event. The month of January was spent working vigorously for the oncoming Winter Carnival. We felt very rewarded when our candidate, Patricia Richardson, was crowned Queen.

As this yearbook goes to press, we are all looking forward to an exciting trip to New York City and perhaps rather reluctantly to our graduation from the dear old "School on the Hill."

I, Sonya Brown, leave my quiet (?) ways.

I, Bryon Austin, leave still going with Sandra.

I, Phil Poulsen, leave.

I, Fred Austin, leave taking my ability to keep a straight face when my brother Bryon is absent.

I, Sally Young, leave waiting for Harry's telephone calls.

I, Joel Duranty, leave as quietly as possible.

I, Pat Edmunds, leave hoping that no one will have the trouble I had in getting my class pictures.

I, Betty O'Neal, leave with my shiny black hair.

I, Ray Stinson, leave my argumentative ways to my brother Ronald.

I, Sally Roper, leave any ability I have to Mary Ann Cullen.

The Senior Class leaves a big thanks to the Faculty for its much appreciated help.

The Yearbook Committee leaves a pot of tea and a pencil sharpener to next year's committee.

To the Junior Class we leave our ability to get on the National Honor Society.

To the Sophomores we leave our ability to be "time killers" and get away with it.

To the Freshman Class we bequeath our ability to keep the study halls lively.

THE CLASS OF 1958

PLACE: LaGuardia Field, New York
TIME: Spring 1970

Seen entering an airplane bound for Littleton are Jeannette Roy and Joel Duranty.

Jan: Why Jody, what a pleasant surprise seeing you in New York. How have you been?

Jody: I'm just fine, Jan. How are things with you, and where are you going?

Jan: I'm on my way to meet Red. He just completed the new super highway that runs directly through Littleton, and he is going out to Colorado to work.

Jody: How nice! I'm on my way home, too. My mother is ill, and I am going to spend a few days with her.

Jan: Since we are both going the same way, let's grab a seat and talk about the years gone by.

(As they approach their seats)

How is Lloyd? By the way, are you still nursing? Do you enjoy your work as much as you did when you started?

Jody: Lloyd is just fine. Yes, I still enjoy my work, although I have not worked much lately. You remember Patricia Richardson, don't you? She went to Carnegie Institute. She is still single, but not for long.

Jan: What ever happened to Dorothy Walker? Is she still as funny as she used to be? Remember our English Classes and how much fun we had. Also the trouble we got into. Dottie always took the blame.

Jody: I haven't heard from Dottie for about a year, but the last time I heard, she was in Texas. She always said she would go back. Have you heard from Eric Hampson?

Jan: Oh heavens, yes! he is doing engineering work for General Electric.

Jody: Where are Linda Spafford and Hollis Burgess? Did those two ever get together?

Jan: Yes, they finally got married, and now they have a fine family. Have you heard anything about Gloria Foley, Carolyn Sherburn, and Marilyn Corey?

Jody: Marilyn decided to go into business with her sister, and they have established a well-known clothing store in Littleton. Gloria took Berta's place at Norton Pike, and Kari became a beautician and is working ten hours a day. She only styles short hair, which seems to be the fad in Littleton.

Jan: Did John Southard ever get his fill of skiing?

Jody: Gosh, no! he is now teaching young boys and girls his method of skiing in Colorado. Did you ever think Sally Young would become a teacher?

Jan: No, she always said she would like to be one, though. Is she teaching in Littleton?

Jody: No, she decided to join Harry, and they moved out west.

Jan: Lucy Hannah is now doing research work in medicine in France. Did Thelma Kinne ever get married?

Jody: Yes, she married Bob soon after graduation, and their oldest son is in the fifth grade. Have you heard from Pat Houle or Liz Byron?

Prophecy

Jan: Pat is now a Private Secretary to Congressman Craig Cushing. Liz is also a Private Secretary to President Hennessey. Imagine! she didn't even have to go to college. She took tests, and they ranked her very highly. Where is Anna Mae Rioux?
Jody: Anna Mae is now working with Mike Reilly on television. She even models when one of his regular models is ill. What happened to Floyd Grammo and Pat Edmunds?
Jan: They are happily married and have seven little Grammo's. Did you know Carlie Colby had replaced Mrs. Cushing? She even gives private lessons to her All-State pupils. What did Sally Roper finally do?
Jody: Haven't you heard? She is the Coach of the Girls' Olympic Team. Remember how good she was at Littleton High School? She is still waiting for Elsie to get his business set up.
Jan: Did you know that Betty O'Neal is the Chief Operator for the New England Telephone and Telegraph Company? Judy Ross is one of the country's best Horticulturalists, and Lee Gregory is an Admiral. He even has his own fleet of ships.
Jody: What happened to Stanley Bean, Robert Allard, and Ian MacDonald?
Jan: Ian is now manager of the Atlantic and Pacific Tea Company Stores in Littleton and Stanley owns Thayers Hotel. Bob is the head of the Council of Ministers of New Hampshire. Where are Fred and Bryon Austin?
Jody: Bryon is now an officer in the army, and Fred is teaching Auto Mechanics at Littleton High School.
Jan: Phil Poulsen studied forestry and has taken over many of the wilds of New Hampshire.
Jody: Alice Dodge is in the Waves and is currently stationed in Southern Africa. I understand Jeanne Pike has taken up Math and really enjoys teaching.
Jan: Elaine Pinckney also became a teacher, and she is now in Ohio.
Jody: I guess Larry Moore finally got to California by motorcycle. I remember he never did like the winters in New Hampshire.
Jan: Robert Brusseau studied Art and has completely taken over the world of art.
Jody: Thelma Mooney married soon after graduation and is now in Italy.
Jan: Arthur Dubey is now farming on the Lisbon Road.
Jody: Did you know that Harry Baker is running a Shoe Shop in town and Sonya Brown is his bookkeeper? Guess that is the reason why he has done so well.
Jan: Ray Stinson is one of the Chief Operators in Gilman Paper Mill, and he is my father's boss.
Jody: Andree Houle is teaching Home Economics in Littleton. The population has grown so much they had to employ her in the department.
Jan: Is that so! She always liked Home Economics as I remember.
Jody: Barbara Brazier is a well-known Psychiatrist in New York, and Glenna Carpenter is a nurse there.
Jan: Doesn't that about complete our whole class?
Jody: I believe so. Oh, look our plane is about to land.
Jan: Home surely looks swell. It really has grown. Why, now we even have our own airport. Remember when Lebanon was the nearest one.
Jody: Why don't you and Red join us this weekend, and the four of us will visit some old classmates.
Jan: That's a fine idea. Bye for now.
Jody: Good bye.

The Student Council having its Constitution established was able to get off to a fine start. Several suggestions presented and approved by the Council were: Football rallies before each home game, a designated time for announcements, and the locking of the locker rooms during a Physical Education class.

One of our bigger projects this year was the publishing of a booklet about school life. The booklet contains rules, regulations and customs of the school, the clubs, and the athletic teams. Also included are the School Song and several cheers.

Instead of money awards being given at Graduation, pins will be presented to the students who are superior and most deserving in English, Mathematics and Science.

Our officers this year included Lee Gregory, President; Spencer Girouard, Vice-President; and Charlotte Hicks, Secretary-Treasurer.

The Athletic Association promotes the competitive sports of Littleton High School, inspires school spirit, and helps set the policies of athletics. It is comprised of the captains of each sport, the coaches, a faculty manager of athletics, the principal and one school board member, and the officers elected by the student body. The Association is in charge of approving all athletic awards.

All students and the faculty members are eligible for membership in the Association. Membership entitles them to admission to all home sports at a nominal rate.

The officers elected by the student body are: Hollis Burgess, President; Mickey Knights, Vice-President; Anna Mae Rioux, Secretary-Treasurer.

The National Honor Society, which is the high school counterpart of Phi Beta Kappa, the college honor society, continues to represent the high ideals of scholarship, leadership, service, and character. Membership in the National Honor Society is the highest honor conferred at Littleton High School.

The officers for 1957-58 are: Lucy Hannah, President; Elizabeth Byron, Vice-President; Jeanne Pike, Treasurer; Barbara Brazier, Recording Secretary; Glenna Carpenter, Corresponding Secretary.

The National Honor Society works on many projects each year to better the school. In the spring of 1957, the National Honor Society sponsored a dance in order to raise money to help defray the expenses of our two representatives to the National Student Council Convention. Our project for 1958 was the purchase of American flags for several classrooms.

Football

"It is better to have played and lost than not to have played at all." This expression exemplifies the football season of 1957. Through the handicap of numerous injuries and setbacks, the team strived for an excellent quality of sportsmanship, determination, and school spirit, under the able direction of the Coaches Anthony Sarausky and Orin Smiley. It proved to be a successful year for gaining valued experience and for building true character.

The L.H.S. Girls' Basketball Team had one of the most successful seasons in a long time, winning nine games and losing three, and finishing in third place in the White Mountain League. Gorham finished first, and Littleton can feel proud that they were the ones to give Gorham its only defeat of the season.

Miss Anna Seavey, the coach, was assisted by Miss Bernice Burlock of Bethlehem, a practice teacher from P.T.C. for the first half of the year. The manager was Patricia Richardson.

The chances look excellent for next year's team even with this year's seniors Linda Spafford, Carolyn Colby, Sally Roper and Anna Mae Rioux graduating. Every player had a chance to participate in regular games. The guards especially are to be commended for their excellent performance at all times.

Skiing

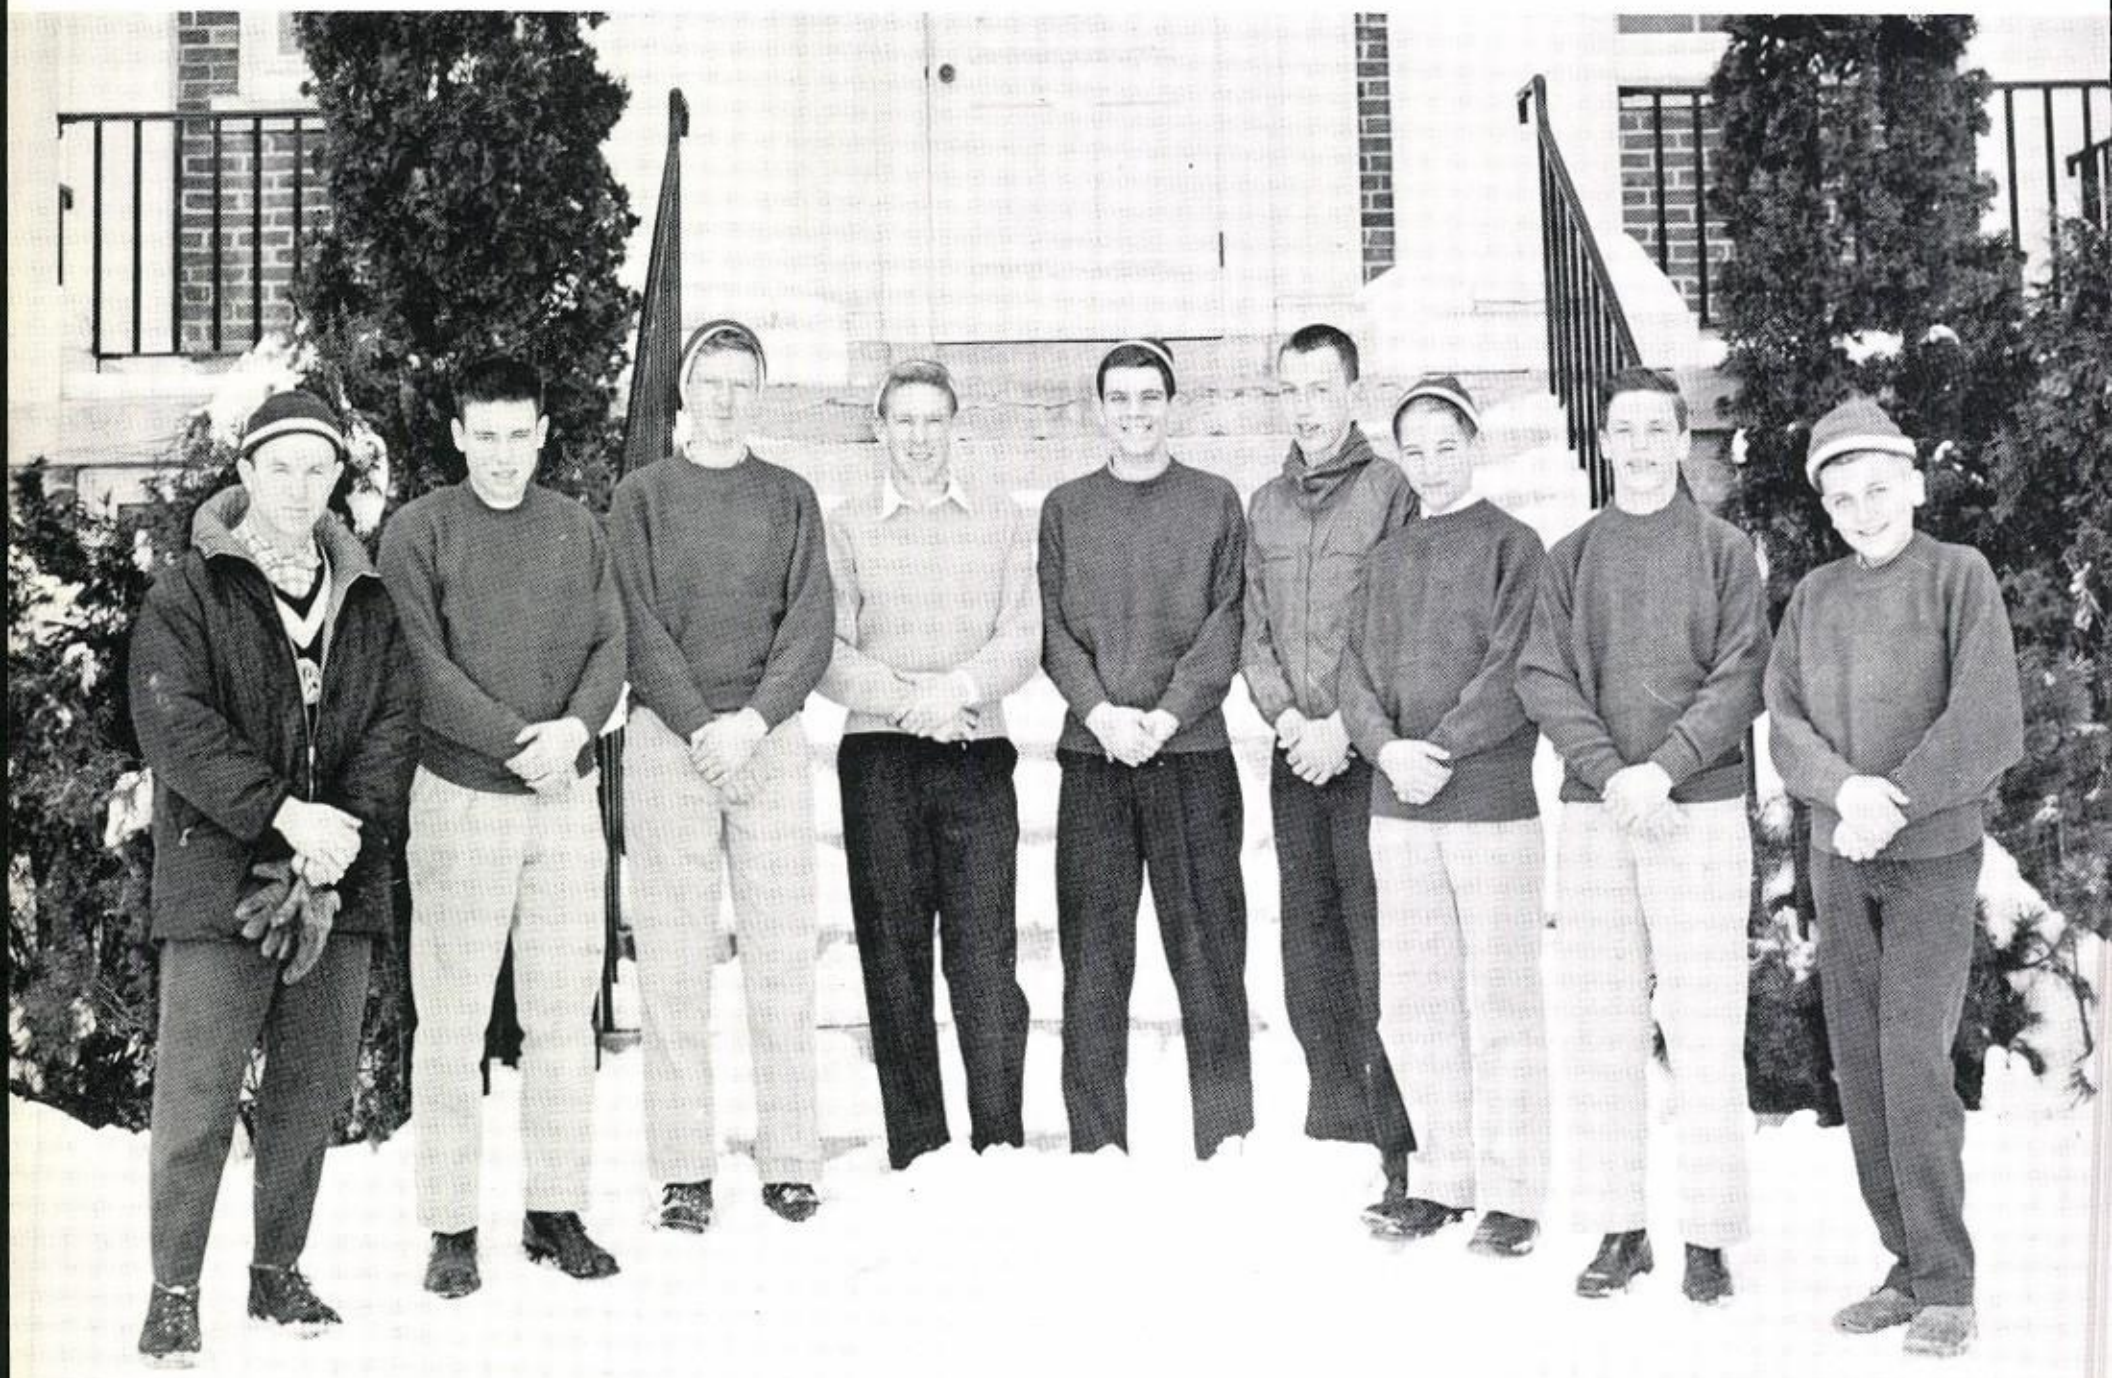
The Littleton High School Ski Team was comprised of eight members: John Southard, Captain, and Mike Reilly, Seniors; Tom Ross, Junior; Frank Hannah, Sophomore; Mark Southard, Bryan Whitcomb, Sel Hannah, and Charles Simonds, Freshmen.

The first big meet of the season was the Kennett Winter Carnival. John Southard placed second in both the downhill and slalom. Bryan Whitcomb and Mark Southard placed high in the same events.

The next event was our Winter Carnival in which the team made a fine showing on its home course. Bryan Whitcomb scored second in the slalom and fifth in the downhill while John Southard won the downhill. The team attained third place, only .42 of a point behind Lebanon High School.

At the Berlin Carnival the team placed fifth among stiff competition. Although they experienced bad luck in the Alpine events, John Southard, Mark Southard, and Bryan Whitcomb placed first, tenth and twelfth, respectively, in the downhill. John Southard was awarded the Skimeister honors at this carnival.

Much credit should be given to Mr. Erickson for his time and patience. Although the team will lose two Seniors, Mr. Erickson will have fine skiing ability to work with next year.



Mr. Erickson, Coach; M. Reilly, M. Southard, J. Southard, Captain; T. Ross, W. Green, S. Hannah, B. Whitcomb, C. Simonds.

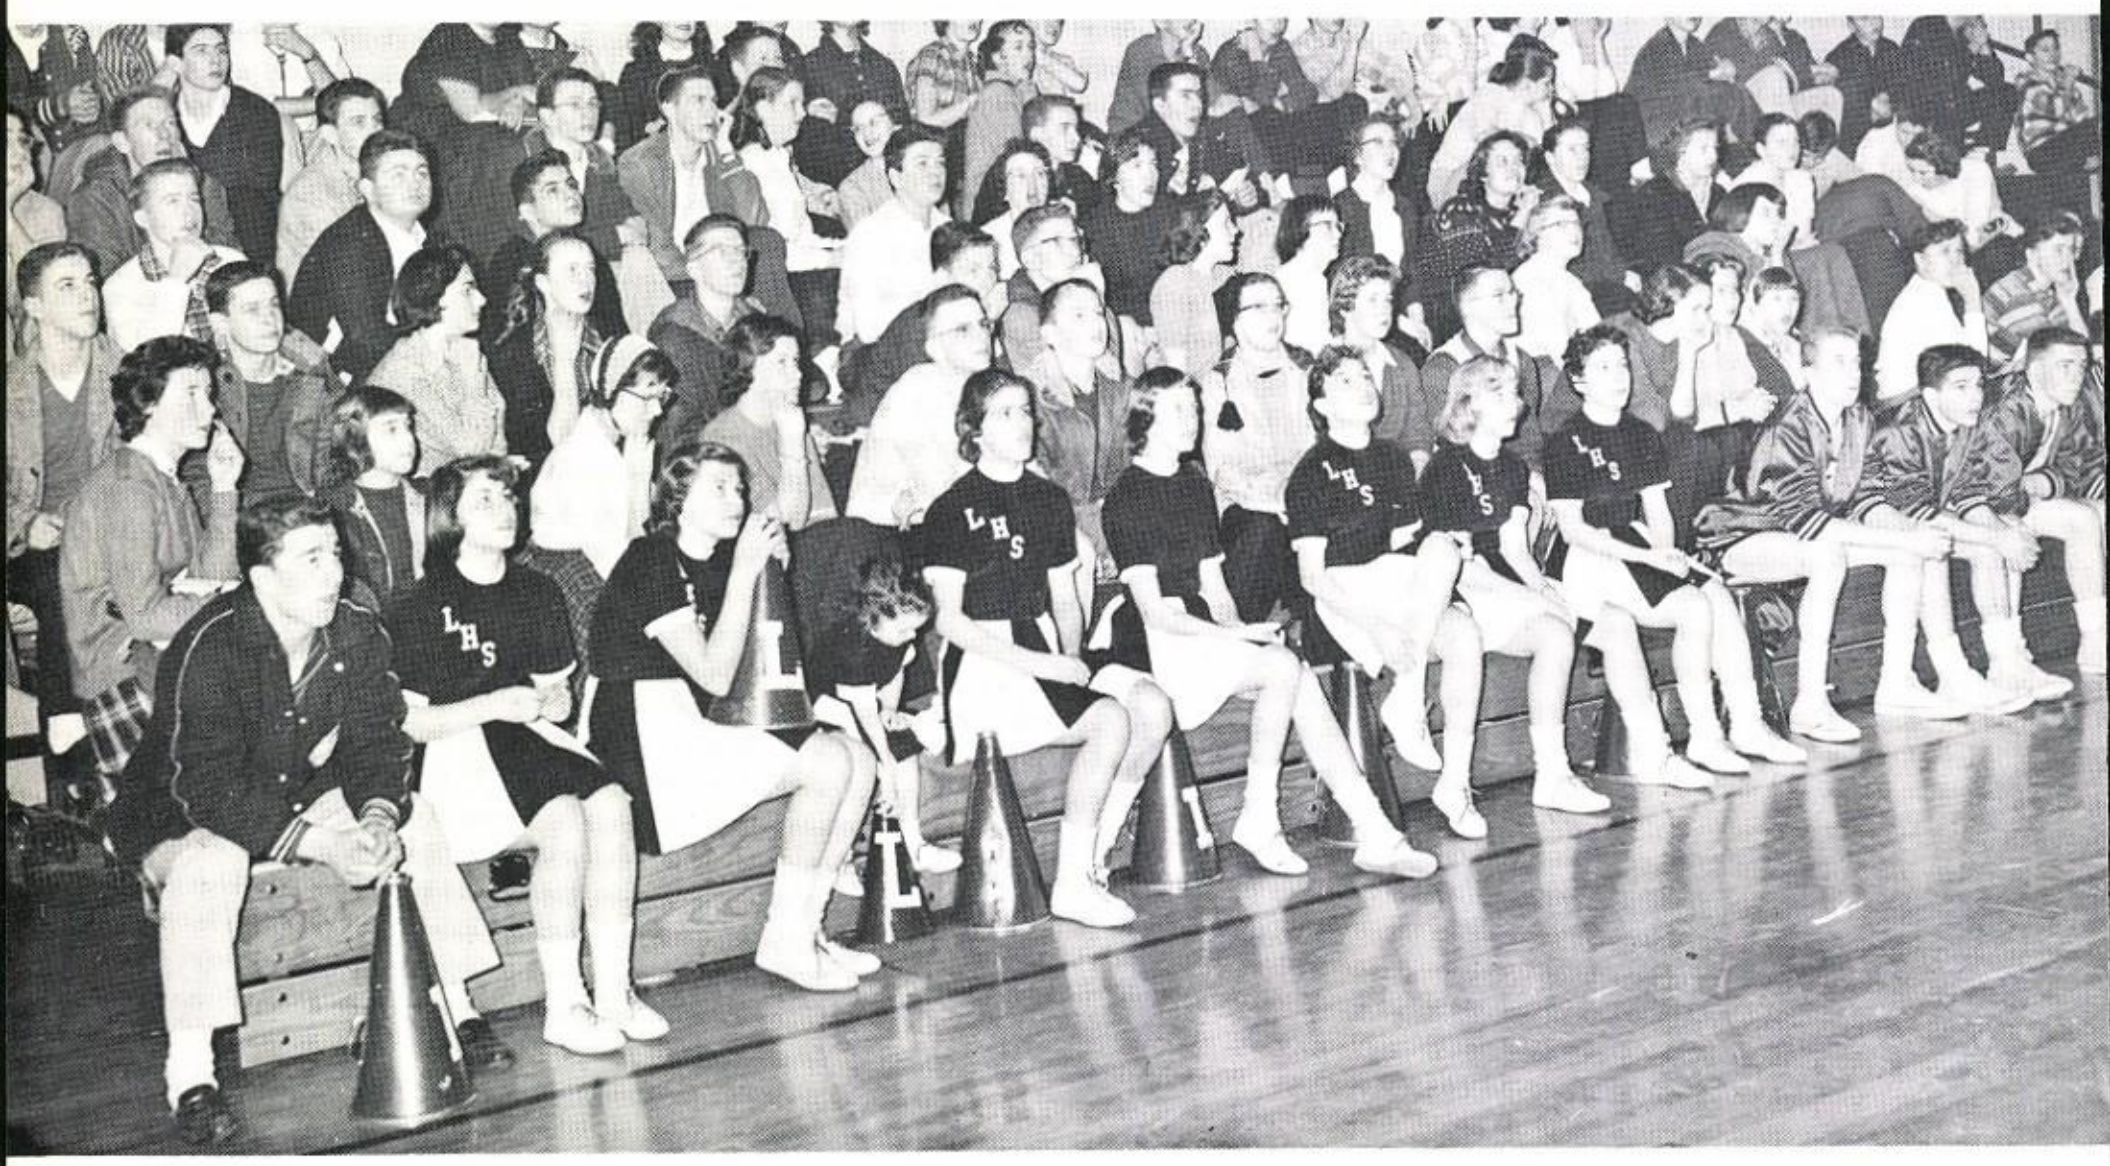
Cheerleading

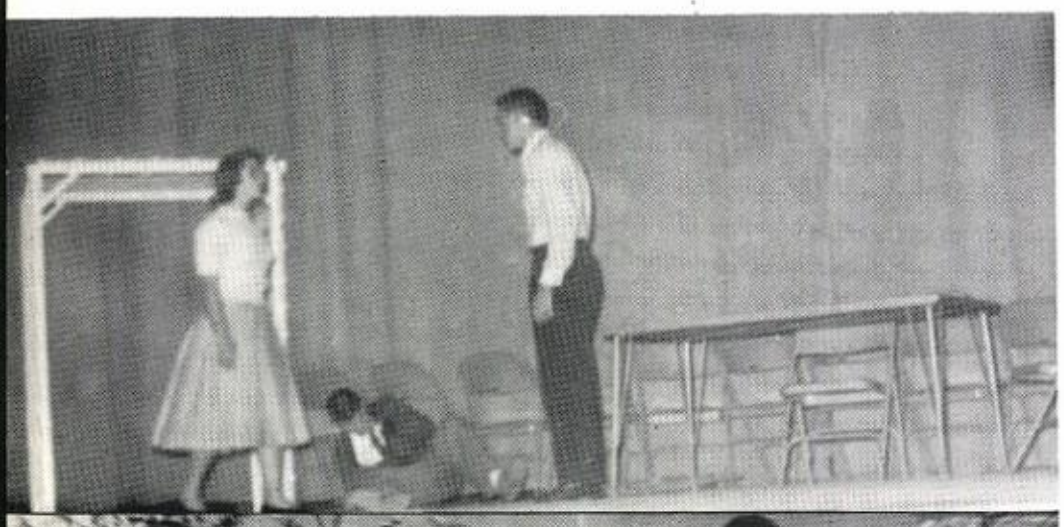
Our 1957-58 season got off to a fresh start by electing five new cheerleaders, Susan Edson, Susan Hartshorn, Nancy Conway, Marjorie Manning and Ann Hennessey. The returning cheerleaders were Mary Jo Cyr, Anita Dorr, Lynn Gregory, Nancy Baker and Marilyn Corey, who was elected Captain.

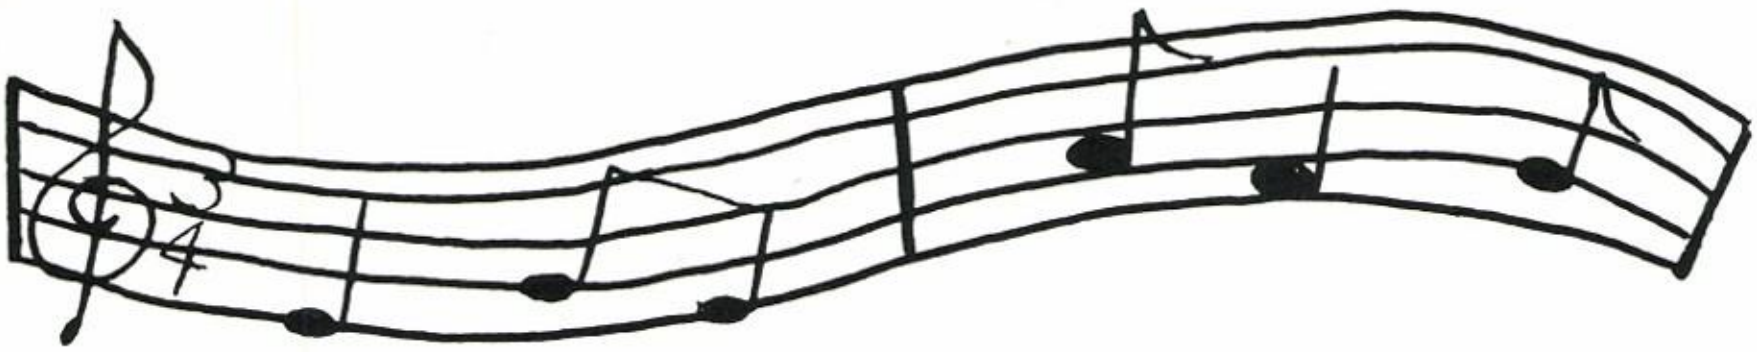
By a unanimous decision and with the assistance of the Athletic Association, we re-altered our basketball uniforms. We were also furnished new megaphones.

An added attraction to our squad this year was our adorable mascot, Ellen Cady. Ellen was anticipated at the games by all faithful sports enthusiasts.

Marilyn Corey and Nancy Baker were selected to represent Littleton High School in the "Miss Cheerleader" contest this season.







"Let us praise our own dear high school,
Hope our lives shall bring it honor."

The band has played during the last year for football games and rallies, basketball games, the dedication of the Samuel C. Moore Station, L.H.S. Commencement exercises, and the annual Santa Claus parade.

Several members attended the annual Mount Royal International Music Festival in Montreal, Quebec. These students were Marcia Buxton, Roger Carlson, Glenna Carpenter, Eric Hampson, Patricia Houle, Steven McLure, Raymond Stinson, Albert Towle, and Karen Tunney.

Several of the students journeyed to the Mardi Gras in New Orleans, Louisiana, with McLure's Student Band.

Carolyn Colby was selected for the New Hampshire All-State Orchestra.

In April, the band participated in a combined concert with six area bands and an exchange concert in Plainville, Connecticut.

All Staters

P. Houle, J. Ross, C. Colby, P. Richardson, J. Roy, E. Hampson, R. Allard.

The New Hampshire All State Concert Festival is an activity sponsored by the music educators of the state for their talented music students, both instrumental and choral. Band and orchestra candidates are auditioned by judges in three different towns during December and from those who qualify at the auditions, the band and orchestra personnel are selected.

Places of holding concerts are chosen from invitations extended to the music educators, by cities or towns, at their June meeting. The music educators, by vote, select the town of their choice. The state is divided into three sections — north, central, and south — and usually acceptances rotate from one section to another.

Littleton All Staters this year were all seniors, four of whom were veterans with two or more years experience in All State. The one representative in the orchestra was Carolyn Colby who played solo cornet. There were seven students participating in the chorus: Judith Ross, 1st soprano, Patricia Houle, 2nd soprano, Patricia Richardson and Jeannette Roy, altos, Robert Allard and Craig Cushing, tenors, and Eric Hampson, bass. Mrs. Harold Cushing, our Littleton High School chorus director, was in charge of the All State Chorus this year.
